Tree**

Helping Those
in Need

Santa Rosa Junior College Annual Giving Tree Program

You can help make the children of our SRJC students' lives brighter this holiday season!

It is that time of year to start our annual Giving Tree donation drive donating at this link below

<https://give.santarosa.edu/givingtree>

We will take these generous donations and purchase gift cards the students have requested from an online form.

Then the students will pick up their gift cards for their children in time for the holidays.

The Giving Tree program is a county wide annual program organized by the Volunteer Center of Sonoma County and with their support the program was implemented and supported by the Classified Senate at Santa Rosa Junior College for only our college community. The college and outside community have been supporting this event for SRJC since 1994 and we have been fortunate to fulfill every wish. This has been made possible, by classified professionals and others volunteering and the financial support from all of you.

We hope to fulfill those wishes again this year.

At SRJC, the Giving Tree Event helps support our SRJC student's children in these designated programs: CalWORKs, Children's Center, Disability Resources, EOPS, Foster Students, Second Chance Program and Southwest Center.

You can help make a child's holiday season brighter.

Please help our most in need student's children. Click on this link and donate now!

Thank you for your gift!

Blessings for a wonderful Holiday Giving Season in a year that needs hope!
